Flexible Payment Options for Your Aesthetic & Healthcare Treatments

At Dr. Marlé van der Merwe Medical Practice, we believe quality healthcare and aesthetic treatments should be accessible and affordable. That is why we proudly offer **MediWallet**, a trusted healthcare finance solution designed to help you manage treatment costs with ease.

What is MediWallet?

MediWallet is a rolling credit facility that allows qualifying patients to spread the cost of approved treatments, medical bills, and healthcare expenses into manageable monthly payments.

This means you can receive the care or treatment you need now, while paying over time.

Flexible Payment Options

Depending on approval, patients may choose:

- Pay in 3 interest-free instalments.
- Payment plans over 3 to 18 months.
- Quick and convenient pre-approval process.
- Affordable monthly repayments tailored to your budget.

Where Else Can MediWallet Be Used?

MediWallet is accepted at various healthcare network partners, including:

- [Clicks](#)
- [Spec-Savers](#)
- [Intercare](#)
- General Practitioners
- Dentists
- Veterinarians
- And many more approved providers

Extra Benefits

Patients may also receive:

- **10% back in MediWallet points** on qualifying purchases at [Clicks](#).

Treatments This Can Assist With

MediWallet can be used for a range of services, including:

- Aesthetic treatments.
- Botulinum toxin injections.
- Medical consultations.
- Wellness procedures.
- Other approved healthcare services.

How to Apply

Applying is quick and simple.

Option 1: SMS Application

SMS the following to **45105**:

- RSA ID Number
- Gross Monthly Income

Option 2: Scan to Apply

Use the QR code available or ask our team for assistance.

Documents Required

To complete your application, you may need:

- Colour copy of your South African ID document or driver's licence.
- Latest 3 months bank statements.
